Hi Travis,

See the attached draft itinerary for Joel's visit next month. We've provided some suggestions, in bold, for his time in Southern California and the SF Bay Area for consideration and discussion. The underlined items are those that seemed to already be set. Please let us know if you have any questions or would like to discuss these further.

And lastly (for now), Joel may just want to come up to R9 office in San Francisco on Friday as the Monday meeting may be an all day affair. Should know for sure this week.

**Subject:** Joel Beauvais visit to CA

Hi Travis,

We are pulling together some ideas for Joel's visit to Southern CA and the SF Bay Area next month and wanted to confirm his itinerary. Will he be speaking at the NACWA conference on 2/22 or 2/23, and would he be available to spend some time in the LA area in addition to San Diego. Also, is he still planning to visit the SF Bay area on 2/24 or 25? Finally, I've heard he may be in the Bay Area on 2/29 as well.

Any help is appreciated as we have several possibilities we are working on.

Paul
